Have you used the NEW DigiTUBE?

Perfect for use in many autosamplers !!
 Cleanest tubes available !!

DigiTUBE
 is recognized for
 - leak-free screw caps
 - the 50 ml graduation with class "A" accuracy
 - the racklock system, for ease of use

Now DigiTUBE just got better !!
 - made from NEW and improved polypropylene, the DigiTUBE now has the lowest catalytic/additive metal content in the market today !!

Call for more information on our new volume packaging and our new low volume pricing !!
